

## **Approaches to Learning Activity for 24 to 30 Months**

### ***Make a Puzzle***

**Materials:**

- A food box with a colorful picture. Save two boxes with the same picture.
- Scissors

**What to do:**

1. An adult cuts one of the boxes into 4 or 5 puzzle pieces.
2. Parent holds the box with the picture and watches the child put the puzzle together.
3. Talk to help the child find the right piece. Try not to use your hands.
